Dan and Nancy are missionaries to the Czech Republic through First Love Int'l Ministries.

Their mission city Svitavy, where Oskar Schindler saved 1,100 lives from the holocaust, today has no evangelical church.

## Our Mission!

To cause celebrations in heaven over Czech atheists who will **believe** in Jesus, **belong** to a new Svitavy church plant, and **become** reproducing Christians.

## The Czech Republic

- ◆ 1,000 years of castles, conflict, and communism
- ◆ 500 years ago the birthplace of the Reformation
- ◆ Currently, 61% atheists and few Christians
- ◆ Today a spiritual "harvest" for Christ is underway
